Plastic Cups and lids

We offer a range of plastics cups and lids suitable for ice cream and dairy products.

Cups and lids are available ex-stock or, for a small charge, can be printed to your own design in up to six colours. Lids are available in clear or white.

We can also supply diaphragm closures in aluminium or PET to provide tamper security.

There is a large range available from 75 cc to 510cc.

Competitive Prices | Quick delivery | Great quality
